

Easy Soccer Ball Drawing Worksheet

Instructions:

1. Start with a light circle. Use a pencil so you can erase easily.
2. Add a small pentagon in the center of the circle.
3. Draw five lines going out from each corner of the pentagon.
4. Connect the lines to make more pentagon and hexagon shapes.
5. Outline the shapes to make the soccer ball pattern.
6. Darken the center pentagon and every other shape to create the classic look.
7. Erase extra lines and clean up the circle.
8. Color or shade your soccer ball to finish the drawing.

Practice Section:

- Trace the dotted circle.
- Draw your own soccer ball in the empty box.
- Try shading the pentagons and hexagons.

Tip Box:

- Keep your shapes even.
- Use light lines first.
- Take your time—accuracy matters!

Great job! Practice again to draw a perfect soccer ball every time.
